Selling investments traded on Sharemark

To sell share certificates you hold for companies traded on Sharemark, please complete and return this form.

Simply complete BOTH sections 1 and 2 of this form, ensuring you and any other individuals named on the certificate(s) have signed in BOTH places marked  ; without this your sale cannot be completed.

Please use a separate form for each different company's shares you wish to sell, with a maximum of 20 certificates for each form. Send the completed form(s), together with your share certificate(s) and proof of identity to: The Share Centre Ltd, PO Box 2000, Aylesbury, Bucks HP21 8ZB.

For extra peace of mind you may wish to send your certificates by recorded or registered post.

Your contract note will be sent to you by the end of the next working day after your sale, and your cheque will normally be sent to you 3 working days after the sale of your shares.

Identification requirements

In order to meet UK Anti-Money Laundering regulations, we, like all other investment services providers, have to take steps to confirm your identity. Please, therefore, refer to the accompanying 'confirming your identity' sheet for details of acceptable forms of ID and ensure you enclose them with your completed Sales form.

If you are signing the form on behalf of the person named on the certificate, as their Power of Attorney, Executor or on behalf of a Company for instance, you should provide documentary evidence (as detailed on the accompanying 'confirming your identity' sheet) of your own identity AND provide confirmation of the authority under which you are acting. So, for instance, you might enclose a copy of the Grant of Probate. You will need to advise the Company Registrars of these circumstances before we can sell the shares on your behalf.

Similarly, if the details on your certificate are out of date, perhaps you've changed your name or moved, you will also need to advise the Company Registrar ahead of instructing us to sell your shares.

You'll find the Registrar's details on the share certificate, generally at the bottom. Some Registrars may require you to write to them with supporting documentation, but they should advise you of this when you contact them.

If you're not sure what action to take, do give us a call; we'll be pleased to help.

Any questions?

We aren't able to advise you on your sale or comment on taxation issues, so remember when placing your order that the value of your shares may be lower than when you bought them, and if it is higher may give rise to a Capital Gains Tax liability at your marginal income tax rate. Do bear in mind that the bases and levels of taxation may change. Additionally, because there is usually less demand for Sharemark investments you may have difficulty selling your investments at a reasonable price and, in some circumstances, it may be difficult to sell them at any price. The Sharemark auction price is set at the point at which the highest number of buy and sell orders can be satisfied; please refer to the Sharemark Q & A booklet (available by calling us on 0800 800 008) for further details.

It's important when choosing any service to ensure it's right for you. We're on hand to answer any questions you may have and, if you're still not sure whether it's suitable we recommend you seek independent advice. So if you have any questions about the Sharemark Certificate Sales service call us free on 0800 800 008, from 08:00 to 18:00 Monday to Friday. We'll be pleased to help.
