

Opening Up of the Secondary Market

The East London Bond was issued on 29th July and is now open to trading.

This charitable bond was issued by nationwide charity Citylife in support of two inspiring East London charities: The Bromley by Bow Centre and Community Links. You can find out more about the fantastic work of these charities that the Bond is supporting at www.eastlondonbond.org

A total of £625,500 bonds were subscribed which resulted in an immediate grant of £41,000 to each charity. The charities involved are also looking into demand for a second issue of the East London Bond in the autumn of this year.

If you wish to buy or sell East London Bonds then you can do so at a Sharemark auction which takes place once a quarter on the last Friday of October, January, April and July. The first auction will take place on 29 October 2010 at 4pm with a cut off time for new orders of 3pm.
