

For immediate release

7 September 2010

**Reliance GeneMedix plc  
Auction Frequency**

Following a review of auction frequencies on Sharemark, Reliance GeneMedix plc, which is currently traded on a weekly basis, will as of the end of September 2010 be traded monthly going forwards.

Auctions will continue to take place on a Friday and will be scheduled for the final Friday of each month. The auction time remains unchanged at 5pm, with a cut-off for new orders of 4.30pm.

The final weekly auction will take place on 24 September, with the next auction then to be held on 29 October
